

From LEO BERNSTEIN
Vice President

Dear Friend:

I should like to call your attention to the attached copy of a special report issued by the Jerusalem Post on Monday, August 31st containing the highlights of our International Israel Bond Conference in Jerusalem.

As you will see, we have a tremendous job ahead of us to strengthen Israel in its struggle to achieve a just and lasting peace. It is our hope that we may have your fullest cooperation so that Israel may receive the financial support she needs to carry the overwhelming burdens of the present difficult situation.
